## CONFERENCE DESCRIPTION

Our **23rd Annual Spring Conference on Pediatrics** is designed to provide physicians, nurse practitioners, physician assistants and nurses with the most current information on common pediatric problems, as well as offer practical solutions to more complex dilemmas that occur in pediatric care. In addition to the didactic sessions, the format will include Round Table discussion sessions, allowing for maximum contact with the faculty which, in turn, will help you gain knowledge to update your practice.

The goal of this conference is to present current clinical data on key issues in the care of the pediatric patient. Topics for this year's conference have been selected based on extensive target audience needs assessment data resulting from professional practice gaps in pediatrics. These gaps are identified by a variety of sources including feedback and evaluations from past participants, clinical expert input, Symposia Medicus' online survey, and other medical and nursing data.

Our outstanding faculty has been selected based on their individual areas of expertise, their ability to communicate first-hand knowledge to others, and their commitment to address issues of current concern to attendees.

This exciting conference will provide you with an opportunity to network with colleagues from across the country in the stimulating and relaxing environment of the beautiful Big Island, Hawaii.

## CONFERENCE OBJECTIVES

After participating in this conference, you should have an increased knowledge of and be more competent to...

- Screen, diagnose and treat the pediatric patient with chronic cough
- Apply up-to-date clinical management techniques for diabetes and obesity
- Develop a comprehensive plan for the management of respiratory emergencies, such as severe asthma
- Evaluate and discuss therapeutic options for the treatment of behavioral, developmental & learning problems including Autism Spectrum Disorder
- Illustrate how the current media affects children & adolescents and how to counsel parents about adverse media effects

## ACCREDITATION

This educational activity was planned and produced in accordance with the **ACCME** and **ANCC** Essentials and Standards relating to continuing medical and nursing education.

Symposia Medicus is accredited by the **Accreditation Council on Continuing Medical Education (ACCME)** to provide continuing medical education for physicians.

Symposia Medicus is accredited as a provider of continuing nursing education by the **American Nurses Credentialing Center's Commission on Accreditation**.

Participants should only claim credit commensurate with the extent of their participation in the activity.

Certificates of credit will be given to participants on-site at the conclusion of the conference.

## CONTINUING EDUCATION CREDIT

### Pharmacology Credit for Prescriptive Authority

A maximum of 1.75 hours in pharmacology credit for prescriptive authority may be earned by attending this educational conference. Sessions awarding pharmacology credit for prescriptive authority are denoted with an Rx in the schedule.

## ROUND TABLE DISCUSSION SESSIONS

Small group discussions will be held Friday afternoon. These Round Table Discussion Sessions are organized to provide an opportunity for **greater participant/faculty interaction**, and will give you an opportunity to **discuss subjects relating to your particular area of interest**. Please indicate your round table choice on the conference registration form in this brochure. Space is limited, so please reserve early. Round table selection will be printed on your name badge. You are encouraged to bring cases or issues you are confronting in your clinical practice to discuss during these sessions.

## EDUCATIONAL RESOURCES

Each registrant will receive an extensive conference syllabus containing pertinent information on each topic presented. **The syllabus is available on paper (black and white type/photos) or on a flash drive (full color). Please make your syllabus choice on the conference registration form. By requesting your syllabus on a flash drive, you will not receive a paper syllabus.** If you request the flash drive syllabus and bring your laptop to the conference, be aware that there are no electrical outlets at the conference tables. **Make sure your laptop is fully charged each day.**

Extra copies of this syllabus, whether on flash drive or paper, are available for purchase by writing, with payment (\$60 for paper, \$25 for flash drive) to: Symposia Medicus, 399 Taylor Blvd., Suite 201, Pleasant Hill, CA 94523-2287 (please refer to syllabus #1216 and indicate type of media preferred).

## CONFERENCE LOCATION

Aloha! Hawaii's Big Island isn't just big, it's still growing. The **Big Island of Hawaii** is the youngest island in the Hawaiian chain and is also by far the biggest, providing a vast canvas of environments to discover a variety of unrivaled natural wonders. This is the home of one of the world's most active volcanoes (Kilauea), the tallest sea mountain in the world at more than 30,000 feet (Mauna Kea), the largest by volume volcano in the world (Mauna Loa) and the largest park in the state (Hawaii Volcanoes National Park). All but two of the world's climate zones generate everything from lush rain forests to volcanic deserts, snow-capped mountaintops to beautiful black sand beaches.

Situated on the sunny Kohala Coast, the **Hapuna Beach Prince Hotel** has defined Big Island luxury since its opening in 1994. Perfectly nestled into the bluffs above the #1-rated Hapuna Beach, the hotel features a contemporary Hawaiian style where guests experience the true essence of rejuvenation. The Hapuna Beach Prince Hotel is adjacent to its sister property, the Mauna Kea Beach Hotel. Guests at Hapuna Beach Prince Hotel are able to use and charge to their room the services and amenities at Mauna Kea.

Each guest room at the Hapuna Beach Prince Hotel has a private, furnished lanai, with picturesque views of lush gardens, partial ocean, or full ocean views. Superb breakfast buffets are served in an indoor-outdoor area, while lunch and dinner options include a seafood grill, a steakhouse and sushi bar, and a poolside bar. **Our group room rates include full buffet breakfast, as well as complimentary internet, self parking, and admission to the fitness center for each day of your stay.**

Water activities are plentiful at the Hapuna Beach Prince Hotel, from swimming, snorkeling, and scuba diving, to sailing, **whale watching** or deep-sea fishing. Pamper yourself at the *Paul Brown Salon and Spa* or spend an afternoon golfing on the 18-hole golf course designed by Arnold Palmer and Ed Seay. Enjoy dining at the many varied restaurants located near the hotel. Kids will love sandcastle building or Lei making at the *Prince Keiki Kids Club*.

The Hapuna Beach Prince Hotel's beautiful and relaxing setting, combined with our exciting **23rd Annual Spring Conference on Pediatrics**, makes this an opportunity not to be missed.
