CONFERENCE DESCRIPTION

Our **11th Annual Spring Conference on Challenges in Primary Care Medicine** is designed to provide physicians, nurse practitioners, physician assistants and nurses in Family Medicine, General Practice, Pediatrics, OB/GYN and Internal Medicine with current information on many of the crucial issues facing today's primary care provider, as well as offer practical solutions to problems that can be immediately applied in a primary care setting.

Topics for this year's conference have been selected based on extensive target audience needs assessment data resulting from professional practice gaps. These gaps were identified by a variety of sources including feedback and evaluations from past participants, clinical expert input, Symposia Medicus' online survey, and other medical and nursing data.

An outstanding faculty has been assembled for this conference. Faculty members are committed to providing participants with current and practical information. Each member was selected based on individual area of expertise and ability to communicate first-hand information to participants.

You are sure to enjoy our **11th Annual Spring Conference on Challenges in Primary Care Medicine** while sharing ideas and experiences with colleagues from across the country in the exciting setting of Anaheim, California.

CONFERENCE OBJECTIVES
