*"I find the quality and relevance of Symposia Medicus conferences to my practice excellent and would recommend them to colleagues without any reservations. I always learn a great deal of new information to take back to my hospital, colleagues, and practice. Thank you, again!"*

**-Kiersa D. Durfee, MD**

*"I have never been disappointed when attending Symposia Medicus conferences. They are always up-to-date, engaging, and feature excellent speakers. The number of hours (including prescriptive authority hours) helps me meet CME requirements with ease."*

**-Patricia J. Thornton, CNM**

*"Great mix of speakers and presentations. I have been to other conferences, but Symposia Medicus is the best so far! I'm already looking at next year's calendar!"*

## CONFERENCE DESCRIPTION

This conference on **Challenges in Obstetrics & Gynecology** has been designed for physicians, certified nurse midwives, nurse practitioners, physician assistants, nurses and other health care professionals who face ever increasing challenges in the clinical diagnoses, treatment options, and new technologies involved in OB/GYN.

The goal of this conference is to provide a comprehensive update and review on current issues in OB/GYN. Emphasis will be placed on practical application of evidence-based presentations. In addition to didactic lectures, ample time has been allotted for participant feedback and interaction. Topics for this year's conference have been selected based on extensive target audience needs assessment data resulting from professional practice gaps. These gaps are identified by a variety of sources including feedback and evaluations from past participants, clinical expert input, Symposia Medicus' online survey, and other medical and nursing data.

An outstanding faculty has been assembled for this conference who are committed to providing participants with current and practical information. Each member was selected based on individual area of expertise and ability to communicate first-hand, practical information with participants.

This conference will provide you with an opportunity to share current ideas with colleagues from across the country. You will take home a wealth of information to help you better care for your OB/GYN patients, while enjoying exciting Las Vegas!

## CONFERENCE OBJECTIVES

After participating in this conference, you should have an increased knowledge of, and be more competent to...

- Cite current guidelines for Pap Smear & HPV testing
- Provide appropriate care for women with breast cancer
- Recognize the risks to both the mother and fetus associated with maternal obesity
- Identify and avoid litigation hot spots in obstetrical practice
- Provide the best management options for menopausal patients
- Recognize and manage incontinence, urinary tract infections and other causes of bladder pain
