It is the sole responsibility of the guest to identify and obtain all required travel documents and have them available when necessary. Based on nationality, many countries require an entry visa.

Guests who do not possess the proper documentation may be prevented from boarding their flight or ship or from entering a country, and may be subject to fines.

Note: No refunds will be given to individuals who fail to bring proper documentation.

For additional passport and visa requirements visit the U.S. Department of State's website at travel.state.gov/travel/cis_pa_tw/cis_pa_tw_2223.html or the Embassies (Consular Service Office) of each country on the sailing itinerary.

- Add frequent flyer numbers, request airline special assistance and purchase ground transfers at the time of booking.
- Book a maximum of eight traveling companions from up to four different cruise bookings in the same ChoiceAir™ itinerary.
- Use different credit cards to pay for each person booked.

There is a non-refundable service charge of \$15.00 per person for domestic and \$25.00 per person for international airline tickets. Any changes or cancellations may be subject to non-refundable service charges and additional airfare costs.

Note: Infant fares (under two years old) cannot be booked online. You must call the ChoiceAir™ Support Desk at 800-533-7803 or the airline directly to add your infant to the booking.

If you make your own air arrangements you must allow a minimum of four hours from the time your flight arrives in Rome to the time the ship departs (at 5:00pm). Going home you should allow at least four hours between when the ship disembarks in Rome and your plane departs (ship docks at 4:30am and disembarks starting at 6:30am). The four hours allow you time for ship clearance, customs clearance (if applicable) and airline security. You can also request to be the first group off of the ship by going to the Guest Relations Desk as soon as possible once you board the ship and letting them know that due to a tight airline schedule you need to be included in the first group off the ship.

GROUND TRANSPORTATION

If you choose to make your own air travel arrangements, you can purchase Celebrity Cruises™ transfers to/from the ship. Once you have arrived and collected your luggage at the airport, you will be met by a Celebrity Cruises® representative outside the Baggage Claim area who will assist you with transportation to the ship. When you return from your cruise and have claimed your luggage, a Celebrity Cruises® representative on the pier will direct you to your transportation to the airport. Note: The transfers are only available on the scheduled day of ship embarkation (September 29, 2012) and disembarkation (October 11, 2012).

In order to reserve the ground transportation with Celebrity Cruises®, your flight into the Leonardo da Vinci (Fiumicino) International Airport must arrive no later than 1:00pm on Saturday, September 29, 2012 and your departure flight home on Thursday, October 11, 2012 must leave no earlier than 10:30am.

All requests must be made to Symposia Medicus by Friday, July 13, 2012. Your flight itinerary must be provided in order to confirm your transfers.

If you have a tight connection regardless of how you arranged your air and ground transportation, visit the Guest Relations Desk once onboard the ship and let them know you would like to be in one of the first groups to depart the ship on Thursday, October 11, 2012.

DINING ABOARD SHIP

When you make your cruise reservations, you can request either the 6:15pm Main, 8:45pm Late or Flexible Select Dining (see details about Flexible Select Dining below) dinner seating (Note: The 6:15pm Main dining fills early and your time of dinner seating cannot be guaranteed). Please inform us if you or your guests have any special food or dietary requirements and inform us of other cruise passengers (not guests in your cabin) with whom you would like to sit at dinner for main and late seating only. Your final dining assignment will be indicated in your eDocs unless your preferred dining time is not available, in which case you will be waitlisted. If you are waitlisted, you can go to the Guest Relations Desk once you get onboard the ship to see if you can change your dinner seating time.

The Flexible Select Dining is a flexible dining option. With this option, you can be seated for dinner in the main dining room at any time between 6:15-9:30pm, or you can make reservations to dine at any time that you choose within that time frame.
