CONFERENCE DESCRIPTION

Our **25th Annual Conference on High Risk & Critical Care Obstetrics** is designed for physicians, certified nurse midwives, nurse practitioners, PAs, nurses, and other healthcare professionals who face challenges in the care of the high risk pregnant patient. The goal of this conference is to increase knowledge and enhance the competence of attendees. Emphasis will be placed on practical application of the evidence-based topics presented.

Topics for this year's conference have been selected based on the educational needs determined from the identified professional practice gaps. The gaps were derived from a variety of sources including evaluations and outcomes data from past participants; clinical expert input; Symposia Medicus' online survey; and other medical and nursing data.

Conference format will include didactic lectures, smaller group breakout and interactive sessions, case studies, and question and answer sessions.

Smaller group sessions will be held on Friday. These breakout sessions are organized to provide **greater participant/faculty interaction**, and will give you an opportunity to participate in discussions on subjects relating to your particular area of interest. **Please indicate your breakout session topic choices on the conference registration form in this brochure.** Space is limited so please reserve early.

An outstanding faculty has been assembled for this conference. Each member was selected based on their individual area of expertise and ability to communicate current, evidence-based, and practical information to participants.

You are sure to enjoy our **25th Annual Conference on High Risk & Critical Care Obstetrics** while sharing ideas and experiences with colleagues from across the country in the exciting setting of San Francisco.

CONFERENCE OBJECTIVES

As a result of participating in this conference, you should have increased knowledge and enhanced competence to...

- Reduce maternal and neonatal complications related to pregestational diabetes
- Identify pregnancy risk factors for developing cardiopulmonary arrest
- Perform a diagnostic work-up for the growth restricted fetus
- Review heightened perinatal risks associated with increasing maternal age
- Identify the complex issues associated with cancer in pregnancy
- Determine three critical factors in obtaining correct cervical measurements

ATTENDEE REQUIREMENTS

At the conclusion of attending this conference, participants are entitled to a certificate of credit which will be available online. Successful completion of this activity is determined by attending the live activity, review of the educational session materials, and submission of the case studies test, surveys, and attendance verification form. Each participant should only claim credit commensurate with the extent of their participation in the activity.

ACCREDITATION

This educational activity was planned and produced in accordance with the **ACCME** and **ANCC** Essentials and Standards relating to continuing medical and nursing education.

Symposia Medicus is accredited by the **Accreditation Council for Continuing Medical Education (ACCME)** to provide continuing medical education for physicians.

CONFERENCE LOCATION

San Francisco is a unique and breathtaking city. From the iconic **Golden Gate Bridge**, to the exquisite art galleries at the **Legion of Honor or San Francisco Museum of Modern Art (SFMOMA)**, the city takes pride in its unrivaled attractions, renowned museums, and unique neighborhoods. Discover the variety of sites, shops, and restaurants that reflect the city's great ethnic and cultural diversity. Surrounded by the tranquil waters of the bay, the **enchanted city of San Francisco** sits amid the peaks and valleys of dozens of landmarks, including **Fisherman's Wharf, Alcatraz, Golden Gate Park, Coit Tower, Lombard Street, Ghirardelli Square**, and its historic **cable cars**.

World-renowned, **The Fairmont San Francisco** presents an awe-inspiring picture of historic San Francisco. The grandeur of the luxury hotel atop Nob Hill, coupled with its reputation for impeccable service, promises a truly memorable experience during your stay. Each of the hotel's spacious guestrooms and suites have been elegantly updated, including flat screen TVs, Frette linen ensembles, pillow top beds, and MP3 docking stations.

Centrally located, the luxurious **Fairmont San Francisco** is a short cable car ride from the bustling downtown, Financial District, Union Square, Chinatown, and Fisherman's Wharf. In fact, this hotel is the only spot in San Francisco where each of the city's cable car lines meet! A visit to **The Fairmont San Francisco** is not complete without experiencing the **Tonga Room & Hurricane Bar**. Consistently awarded for serving "San Francisco's Best Happy Hour", the Tonga Room offers exceptional Pacific Rim Asian Cuisine in a tropical setting that includes thunder and rain storms. It is the perfect escape after a busy day of shopping along Union Square.

Whatever your pleasure, you'll be sure to find it in San Francisco, at our **25th Annual Conference on High Risk & Critical Care Obstetrics**.
