CONFERENCE DESCRIPTION

A dynamic and multifaceted phenomenon, sexual health is closely linked to our overall health and quality of life. At the crux of our overall well-being, sexual health can affect many aspects of life including intimacy, reproductive health, disease prevention, clinical care, policy, advocacy, health equality, and the social determinants of health. Determining the etiology of sexual complaints is often a complex process. As such, healthcare providers must operate as cautious detectives, exploring medical, psychological, and even environmental issues.

Designed for physicians, certified nurse midwives, nurse practitioners, physician associates, nurses, and other allied healthcare professionals, our **9th Annual Conference on Challenges in Sexual Healthcare** takes place over the course of four days. Covering a wide array of topics, our expert faculty will discuss the latest evidence-based advancements and innovations in sexual healthcare, present emerging clinical data, and provide skills and strategies for application and implementation into your practice. As you collaborate with your fellow healthcare providers, this course will allow you to share information and participate in insightful conversations about supporting and sustaining healthy sexuality. This educational activity aims to increase learner knowledge, improve the competence and performance of all attendees, and contribute to their ability to work together as part of a coordinated healthcare team.

Topics for this year's conference have been selected based on the educational needs underlying identified professional practice gaps. The gaps were derived from a variety of sources including evaluations and outcomes data from past participants, clinical expert input, Symposia Medicus' online survey, and other medical and nursing data such as current clinical guidelines, research findings, literature reviews, and patient safety considerations.

An outstanding faculty has been assembled for this conference. Each faculty member was selected based on their individual area of expertise and ability to communicate current, evidence-based, and practical information to participants.

The conference format includes didactic lectures, question and answer sessions, and case studies. Following a group of lectures, the question and answer sessions allow attendees to ask the faculty critical and challenging questions about caring for patients during various sexual healthcare situations.

CONFERENCE OBJECTIVES

As a result of participating in this conference, you should have increased knowledge and enhanced competence to...

- Apply current therapies for acute and chronic issues surrounding vaginitis
- Develop treatment paradigms for complex sexual dysfunction cases
- Offer a range of therapeutic options for the treatment of troubling menopausal symptoms that may interfere with sexual function
- Acknowledge how norms for sexuality vary across cultures and recognize the value of acceptance without judgment of the multitude of various physical and sexual experiences
- Explain the importance of hormone influence during menopause and its impact on sexual function

ATTENDEE REQUIREMENTS

After attending this conference, participants are entitled to a certificate of credit which will be available online. Successful completion of this activity is determined by attending the live activity, reviewing the educational session materials, and submitting the case studies test, evaluations, surveys, and verification of attendance form. - Per our hotel contract, hotel reservation cancellations must be made **in writing to Symposia Medicus** and you will receive a full refund if emailed by **March 6, 2024**. Between **March 7, 2024 and April 3, 2024**, one night's deposit is forfeited. After **April 3, 2024**, no hotel refunds can be made.
- **All cancellations must be emailed to registrar@symposiamedicus.org by the dates stated above**
- In the unlikely event of conference cancellation by Symposia Medicus, full tuition and, if reservation was made with Symposia Medicus, hotel deposit refunds will be made. Symposia Medicus will not be responsible for refunding travel or any other expenses.

CONFERENCE LOCATION

Marco Island is the largest of Florida's famous 10,000 islands on the southeast coast of the Gulf of Mexico. It is graced with miles of white-sand beaches, beautiful weather, sumptuous restaurants, fine dining, shopping and entertainment. Recreational activities, ranging from boating and fishing to golf and tennis, are set amid the stunning subtropical beauty that is unique to southwest Florida's Gulf Coast.

The **Hilton Marco Island Beach Resort & Spa** is in the premiere location for fun and relaxation. Guest rooms at the Hilton feature private, furnished balconies overlooking lush, tropical landscaping or the beautiful Gulf of Mexico. The resort is host to a multitude of recreational activities—whether you want to relax by the pool or on the white-sand beach, or take part in sailing, parasailing, kayaking, or unique Eco Tour and shelling excursions, the options are unlimited.

Enjoy a relaxing spa day and visit **The Spa at Marco Island**, offering serenity and wellness inspired by the exotic cultures of the Mediterranean. Taste fresh, local flavors at the completely reimagined signature restaurant, The Deck at 560. At The Bar at 560, you'll find craft cocktails made with fresh Florida citrus juices and draft brews from local Florida breweries. These are best enjoyed at the pool by the fire pits or looking out over the serene gulf. **The Marco Walk Plaza** is directly across from the resort, featuring a great variety of shops and restaurants, plus a movie theater.

Just a short drive away is **Everglades National Park**, the largest subtropical wilderness in the United States. Tour the park with a ranger, photograph birds, take an afternoon hike, spot alligators bathing in the sun, or canoe through the mangroves!

Whatever your pleasure, you'll be sure to find it on Marco Island, at our **9th Annual Fall Conference on Challenges in Sexual Healthcare**.

For our complete calendar of conferences, please visit www.symposiamedicus.org. Brochures are available approximately 8 months prior to each conference.
